# HANDS ON COLORS

05 DEZ 2024

*É um convite para dançar  
no éter da imaginação,  
onde as fronteiras entre o  
real e o imaginário se  
desvanecem, e a  
verdadeira essência da  
vida se revela em toda a  
sua exuberância  
cromática.*

**“Estes quadros são mantras que esperam no silêncio a nossa visita. Tempo e silêncio que cheguem para que comecem a manifestar-se. Não são apenas pintura ou arte multimodal, são muito mais do que isso”.**
